Programs & Workshops

Thanks to Lisa Martin we had a great wool applique workshop in July. We appreciate her creating such a cute design for us to use. We learned important basics about the preparation of and stitching techniques for wool applique.

August- Eleanor Burns

Join **Eleanor Burns** and Florence LaGanke Harris, posthumously inducted into Quilters Hall of Fame this July! Eleanor has been inspired for years by Florence, a writer back in the 1930's of *hundreds of quilt patterns that appeared in newspaper columns*. Eleanor's favorite is the Nancy Page column, a *fictional weekly quilt club that met each Tuesday* in Nancy's home. Enjoy the old-time stories, several antique quilts from Nancy's group, as well as numerous quilts Eleanor made with her own group. *Dress up for the occasion in your favorite 30's hat*, oh, and yes, a smile!

Workshop- Sashiko Introduction to Sashiko by the Tana Doss.

Learn this ancient Japanese art of stitching beautiful patterns with heavy thread to add a design element to quilts, clothing and household items. Learn how to mark your fabric or use a preprinted pattern. Workshop is from 9 am to 2 pm. Class is \$20. Supply list at QGETX.org.

September- Trish Stuart

In September **Trish Stuart** will be talking to us about pushing boundaries by making simple changes or additions to inspire and energize our work. She will talk to us about her design work making collages, painting, and thread painting. We will have an inspiring showing of her quilts using different techniques.

Workshop- Grow a hummingbird Garden

The workshop is a *collage* in which participants will create a sky and streaming stems, flowers will be fussy cut, fused and stitched down. Next will be cutting out the hummingbird and learning how to layer to get the depth and movement. The hummingbird will then be stitched to the sky area. *Your kit will include all the materials needed for the project such as top fabrics, batting, backing, fusible web and pattern instructions.* The kit fee is \$38. The class fee is \$45 as Trish is a nationally known speaker. The supply list is at QGETX.org Programs.

October- White Elephant Sale

Due to popular request, we will have the White Elephant Sale **both before and after** the Guild meeting so that everyone has *more time to shop!* Contact Pat Graham to request a table. 903-941-2907

To sign up for class, call Janene Auld 817-454-0501 or email at LJRanch19@gmail.com; for questions, call Cathy Woodson 903-570-8706

Class information-

Classes are normally held on the Friday 9 am to 4 pm, following our Guild meeting on Thursday. You may want to arrive a little early to get your work area set up.

The classes meet in the Christian Life Center (CLC) building which is behind the church building we have our Guild meetings in. We use Room 5. You may bring your lunch or get take-out locally during our lunch break. Please see the supply list on QGETX.org for your specific class.

QUILT SHOW 2023
March 24-25, 2023
BITS TO BEAUTIFUL

Planning and groundwork for the 2023 Quilt Show are under way! Again, we will hold the show in the Christian Life Center of 1st Christian Church, March 21-25, 2023.

“BITS TO BEAUTIFUL” is our theme. Another word for bits is scraps. Scrap quilts are my very favorite quilt type but quilts of every style will make the show a delight for the eyes to behold.

I encourage everyone to use these hot days to work on quilts and projects while staying cool in the air conditioning.

There will not be a Block Challenge this year. Instead, we will have a stuffed “flat or not so flat” animal challenge. The animals will be judged and ribbons will be awarded for creativity!! The animals will be donated to Children’s Advocacy Center of Smith County.

One of the really gratifying parts of chairing the 2023 show is the way that you step forward and volunteer for a chairman job. If you are looking to chair a particular area, please contact me. While there is no salary in chairing a position, the benefits are generous: involvement in a worthwhile endeavor, opportunity to meet new friends and deepen friendships, satisfaction in a job well done, enhancement of administrative skills, opportunity to try something you’ve always wanted to do, smiles, laughter and appreciation.

If you have questions or wish to volunteer, I can be reached at celiabronnon@yahoo.com or 903.521.6569.

Thanks, Cecilia Brannon

Cuddle Quilts

Dear Sew Friends,

Thank you for making the Cuddle Quilt Challenge a success. All the excitement regarding the challenge has been fun! We took in 32 quilts as a result. The quilts were amazing and it was like a mini quilt show. All the quilts were winners to me and it was hard to choose just one. I know whoever receives those quilts will be blessed by your generosity. I want to congratulate our 3 top winners of the challenge who took home the prizes, Lucinda Emmons, Carolyn Franklin, and Cindy Newland. I heard from several guild members how much they enjoyed the program. All the speakers were extremely moving. The work they do in their organizations is extremely important. It really breaks your heart when you hear the stories of those, we serve by giving our quilts. There will always be a need for our quilts. I would also like to thank the guild members for their generosity of their resources and talents because without you there would not be a Cuddle Quilts.

The Next Cuddle Quilt Bee is August 16th. We meet at First Baptist Church in Tyler, 301 W. Ferguson Street. You would enter through Door #4, go down the hall, and take the elevator to the 4th floor. Come join the fun in the craft room! Bring your sewing machine, and regular sewing notions. We have cutting mats, rulers, irons and ironing board.

If you have any questions regarding Cuddle Quilts, please do not hesitate to contact me. My cell number is 903-245-5164. Call or text, your choice. I will be glad to answer your questions if I can regarding Cuddle Quilts.

Thank you for your continued support of Cuddle Quilts. Let's keep sewing!!!

July Workshop Update

The July workshop was great. Lisa Martin shared her expertise and tips for wool appliqué. We had a great time.

The QGET Quilts of Valor group restart meeting will be held Monday, September 12, 10:00 a.m. at home of Pat Graham. Any patriotic fabric, blocks, tops or quilts will be appreciated.

A Quilt of Valor® (QOV) is a quality, handmade quilt that is machine or hand quilted. It is awarded to a Service Member or Veteran who has been touched by war. The Quilt says unequivocally, "Thank you for your service and sacrifice in serving our nation."

To use the term Quilt of Valor, Quilts of Valor or QOV, the quilt must be a specific size, must have a label with required information, it must be awarded (it is not a gift) and it must be recorded.

What Does a Quilt of Valor Mean?

This quilt brings you a three-part message from our hearts.

1. We thank you for your service
2. Our quilters know that freedom is not free.
3. This quilt is meant to offer comfort to you.

A Quilt of Valor is not a charity quilt. A Quilt of Valor is not a blanket. Our quilts are awarded, not just handed out like a magazine or a video. This Quilt of Valor unequivocally says thank you for your service and sacrifice in serving our nation.

If you are a quilter, you know a quilt consists of three layers held together by its quilting stitches.

We like to think of the layers in this way:

1. A top of the quilt with its many colors, shapes, and fabrics, represents the communities and the many individuals we are.
2. The batting, the filler, is the center of the quilt, its warmth. It represents our hope that this quilt will bring warmth, comfort, peace, and healing to the individual who receives it.
3. The backing is the strength that supports the other layers. It represents the strength of the recipient, the support of his or her family, our communities and our nation.
4. Each stitch that holds the layers together represents love, gratitude, and sometimes the tears of the maker.
5. Each Quilt of Valor is formed by loving hands that join bits of fabric together one piece at a time.

Quilt Requirements

- A Quilt of Valor does not have to be red, white and blue, but patriotic colors are very popular with recipients. Panels can provide a great focal point and bring in other colors. Think creatively with the recipient in mind.
- Recommended size: 60" x 80"; minimum: 55" x 65"; maximum: 72" x 90".
- The Quilt consists of a top, batting, and backing. It must be machine or hand quilted. A tied quilt is not acceptable for a Quilt of Valor.
- Use quality, adult-appropriate, 100% cotton, quilt-weight fabrics. Avoid juvenile prints and branch-specific fabric unless the recipient is known.
- Patterns and blocks can be of any design suitable for a patriotic theme.
- Use quality, 100% cotton; backings provided to Longarm Volunteers must be 8" wider in width and 8" longer in length. Wide commercial backings sold at quilt and fabric stores are acceptable. Square up, press and fold backing neatly before providing to quilter.
- Use quality, low loft batting such as cotton, cotton blends, polyester or polyester blends.
- Double fold, also known as French fold, is recommended for durability. Hand stitch or neatly machine stitch binding, mitering all corners.
- The label must state quilt is a Quilt of Valor in order to be awarded as a Quilt of Valor and recorded as such.
- Wash quilt once completed so it is soft and so that any potential fabric dye bleeding issues are resolved. Use cold water, mild detergent and unscented products. A color catcher will capture fabric dyes in washer.
- A thank you note, card or letter to the recipient may be included. A journal with information about how the quilt was made, maker's thoughts, etc. may be included.
