## PRESIDENT'S CORNER

Happy New Year everyone!! I hope you all had the Christmas Holiday that you wanted, full of family and traditions. The Guild had a very nice Christmas meeting and party. We had 45 members at the Guild meeting, with 36 joining in the Christmas party. Virtually every at the meeting participated in the red and green show and tell. It was wonderful to see all the participants and their quilts, all of them beautiful. I would like to thank Lisa Martin (Membership Chair) and her Mom for making all the table toppers which were given away. The table toppers were beautiful. Now, on to the New Year, I would like to take this opportunity to encourage you to attend the Hive, run by First VP Corey Starkey. The Hive is for anyone at all skill levels. Corey has so many wonderful ideas for the Hive that attending would be like going to a free workshop! Again, wishing you a Happy New Year and let's hope that 2022 will be a successful year for our Guild.

Best,  
Sherry Gary  
*President*

## Programs & Workshops

**What fun we had in December!** Thank you all for the generous participation in the Christmas Show & Tell. What a great guild we have. It was also wonderful to see all the completed Scandinavian Snowflake projects. Just beautiful! The fabric was flying around the room during Quilt-O and some lucky members took home a big haul of fabric.

**January's** program will be provided by the *Piecemakers* small group. They will provide a fun and creative program using **orphan blocks**. This requires **audience participation**. **Please bring an orphan block** in January. Any size, any kind of block. We all have those blocks that were extra or were class projects. They will be incorporated into a quilt.

Just in case we have more blocks than needed, put your name on your blocks and we will return them to you. If you do not want them back, they will be donated to the Country Store or Cuddle Quilts. *You will be entertained and amazed in January!*

**Sandra Sims** will teach Ricky Tim's "*Harmonic Convergence*" technique in a workshop on Friday January 14th. We have all heard of him and seen his innovative work but I have not taken one of his classes. I am signed up and ready learn his technique! The supply list on our **QGETX.org** website is short and simple. There are 2 samples using different types of fabric to see at our Guild meeting.

**February-** We will have a guest speaker via ZOOM, *Theresa Wong*. **Big Love, Texas Cotton & Quilts** Texas grows *6 million acres* of cotton, the most in the United States. Her lecture will present the *big love between Texas cotton and Texas quilters*. She will discuss *20<sup>th</sup> century masterpieces* made by Texans including tracing the quilts which hung in the *Texas Capitol rotunda in 1986* following the **Texas Quilt Search**. The Quilters' Guild of East Texas participated in that quilt search and Marilyn Hardy will share some of her memories of that experience. There will be no workshop.

**March-** *Antique sewing implements and sewing machines*  
After the various QS announcements, we will have a display and discussion of antique sewing machines and sewing implements from the collections of some of our members. If you have items you would like to include, please let me know.  
No workshop so you can finish your quilt for the show!

### Quilt Show Entry Request

Our 2022 Quilt Show is March 25-26, 2022. Is your entry in yet? So far, we have ONLY 8 quilts entered.

After the Christmas holiday and the putting away of the Christmas things, PLEASE take time to snap a picture of the quilt(s) that you want to enter and complete an entry form for each quilt. Be sure to get your quilt into the right category. We have condensed them from 24 to 12; so, that should make the entry process easier. Be sure to include P (pieced), A (appliqué), or M (mixed along with the techniques used P/A). Please place the name of the quilt and your name on the back of the photo. Link to Quilt Show entry form on website: ([here](#))

I will take entries through the February 10 Guild meeting. Don't wait until the last minute because we could have winter, icy weather in February.

I am looking forward to your entries. I can't wait to see what you have been working on for two years!

Susan Webber  
Layout Chair, 2022 Quilt Show

## Country Store

### Country Store Needs YOU!

Our Country Store is now taking your donations in preparation for our Quilt Show in March. You can bring your donations to the January, February, or March guild meetings and drop them off between 9:00 and 9:45 at the outside door of the Boy Scout room in the Christian Life Center behind the church. A hard working volunteer will be there to take your treasures from you. Please bring only items that are sewing or quilting related! It would help the volunteers greatly if you will also sort and price all of your items before donating them (refer to the recommended price list below.) We are no longer taking BOOKS, we have hundreds, but we will take your magazines. We also DO NOT need bags to use during the sale, we are overloaded with them already!

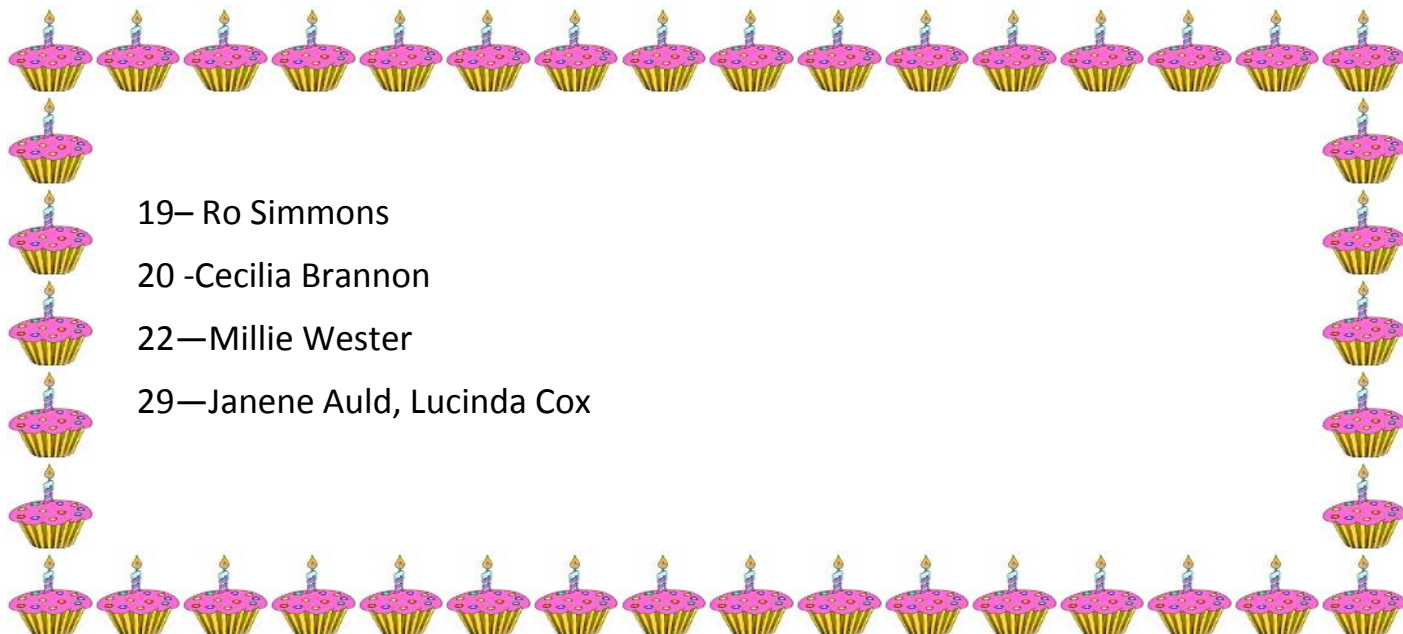

If you would like to join the Country Store committee and help with sorting, pricing, hauling, setting up, and/or selling during the Quilt Show, just contact me at [lisamartinkaz@hotmail.com](mailto:lisamartinkaz@hotmail.com). If you cannot bring your donations to the guild meetings just let me know and we can arrange a pick up.

Your donations and help are greatly appreciated. Feel free to contact me any time with questions.

Lisa Martin  
Country Store Chair

## CUDDLE QUILT NEWS

Hello Sew Friends!

Because of the holiday season, Cuddle Quilts did not meet to sew this month but we did get together to celebrate each other on December 10th. We met at the Red Dome in Quitman and then shopped at Stitching Heaven. If you have never eaten at the Red Dome restaurant before, you are missing a treat! The food was delicious! We enjoyed each other's company and I realize how blessed I am to be part of such an amazing group! Christmas will be over by the time you receive the newsletter, but the magic of Christmas never ends and its greatest of gifts are family and friends. Some of my greatest friends are quilters!!! Cuddle Quilts will continue to creating quilts to bless our community and I am looking forward to what 2022 will bring for Cuddle Quilts.

### **Announcing our Cuddle Quilts Panel Challenge!**

Cuddle Quilts is very excited to announce a new contest for all guild members. Beginning at the January guild meeting we will give out quilt kits that contain a fabric panel plus coordinating fabric. Your challenge will be to make a beautiful and unique Cuddle Quilt from your kit (or even an ordinary, boring quilt will do!).

You will have until the July guild meeting to completely finish your Panel quilt, including quilting and binding. At the July meeting all participants will show their quilts and all the members who are present will vote on their favorite. And remember, their favorite won't necessarily be the best pieced, best quilted, or prettiest panel, it will be the quilt that they just like best. The top three winners will receive great prizes, and all the quilts will be donated to Cuddle Quilts programs.

So please visit the Cuddle Quilt table at the next guild meeting and pick up YOUR Panel Quilt Kit. It's a great way to support your guild's community service efforts while having fun and winning prizes too!

The next time Cuddle Quilts will meet will be January 18<sup>th</sup> from 10-3 at the First Baptist Church in Tyler in the craft room. We hope that you will be able to join us!

Happy Quilting,  
Maresa Campbell & Lisa Martin

## Hive News

Welcome everyone to our 2022 HIVE! We have exciting lessons planned for this year, and all members are encouraged to come and learn. We meet on the second Thursday at 12:30 just after each guild meeting in the building behind the church.

At the January HIVE you will be making my versatile pillowcases / drawstring bags (pictured below). I would like to donate these pillowcases to children in crisis, mainly those in the foster care system, in the Tyler area. Many times when these kids have to relocate they must take their belongings with them in a garbage bag. But these pillowcases will serve a dual purpose and give them something useful that will belong only to them.

Fabric kits will be provided by the Cuddle Quilts group, so you just need to bring the following supplies:

Sewing machine

Cutting mat, rotary cutter, rulers

Iron and ironing surface (there are two provided that you can share)

Several different colors of thread

Flathead pins

Any other normal sewing supplies

Please click on this link ([here](#)) to find the instructions for the pillowcase on our website. It sounds more complicated than it is, so be sure and come watch my demonstration.

The February HIVE is one that I hope you all will attend so your quilts can be ready for the upcoming quilt show. I will be teaching easy and accurate Machine Binding, and how to add a Hanging Sleeve to your quilts. You should bring a 20" x 20" quilt sandwich to practice your binding and sleeve on. More instructions and supplies will be listed in next month's newsletter. (Sleeve instructions are currently listed on our guild website [qgetx.com](http://qgetx.com).)

I hope to see you all there!
